ARTDISTRICTS

EDITORIAL PROFILE

ARTDISTRICTS is an art guide focused on promoting the visual arts throughout Florida. With this publication, we continue along the path we embarked in 2007 with WYNWOOD, The Art Magazine, which in Summer 2009 split into two publications: ARTDISTRICTS and ARTPULSE. With ARTDISTRICTS we seek to continue supporting the local and regional scenes with up-to-date reviews, news and calendars covering the most significant art events and exhibitions. Every two months, a new issue of ARTDISTRICTS is available at galleries, museums, and art centers throughout Florida; it is also distributed at hotels and upscale condominiums and at all the mayor art events and art fairs.

Our website www.artdistricts.com complements the printed edition with a selection of articles, interviews, news, as well as an extensive list of museums, galleries and artists' studios, with links to their respective websites. We also offer newsletters service that reaches a community of 50,000 subscribers.
